## SUMMARY

*Hey, I'm who you are looking for!* I am a BCA student. Basically, I am a biology science student and turned into Computer Application because of my interest. **I am focusing mobile application development.** Also, I am spending lots of time to improve my skills. I am created some projects like automation and applications. Now I am working for to create a social media application like Instagram. **I truly know Flutter, Dart, Python, HTML and CSS and Nodejs.**

## EXPERIENCE

- Working on creating fully functional social media application like Instagram and WhatsApp
- Created WhatsApp Automation Bot using JavaScript and Nodejs
- Created web scrapping projects using Python
- Created an weather Showing Application
